FEBRUARY 9 2019

Intro to Beekeeping | Andrew Mountain Beekeeping Program | 9AM – 1PM

An ADVENTURE awaits you, whether you are interested how honey is made, the prospects of owning your own hive, or conquering your fear of stinging insects. These are just a few of the accomplishments of our classes.

These sessions are also for those who already own their own bees but have never really understood how to manage them.

Classes are taught by Ferreira Apiary
Please call (203) 720-7043 to reserve your seat.
